

Because Adventure is a Lifestyle...

SEEK YOUR EPIC

MEDIA KIT

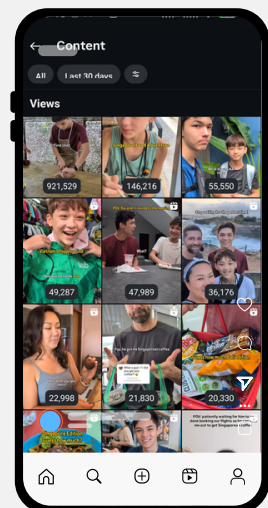

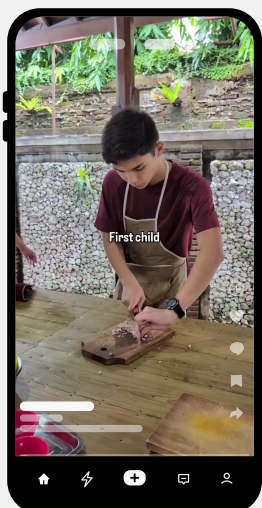

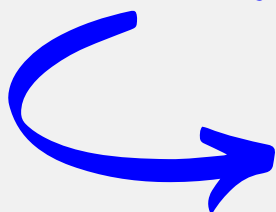

We chase epic experiences and inspire others to do the same. From road-tripping across all 50 U.S. states in an RV to circumnavigating the globe via cruises (35 countries and counting), **we live for the thrill** of discovery.

Real Content

We're not just influencers. **We're a real family living the full-time travel life** since 2020. From the open road to the open sea, we share the highs, the lows, and everything in between. **Our 100% organic audience trusts us** because we keep it real, weaving personal stories into every post, video, and review. Our engagement is electric because **our community loves connecting** with our relatable adventures and family-focused content.
